Department Activities

> Graduate Seminars:
  – Several each semester dates and times TBA

> Department Events
  – Fall New Student Orientation
  – Fall Academy Picnic at Schuman Park
  – Halloween Costume & Chili Cook-Off Contests
  – Holiday Celebrations – Watch for Announcements
  – Spring New Student Orientation
  – Spring Graduate Research Open House
  – Spring Honors Luncheon
Mandatory Ethics Training

This is a one-time requirement for new students in EMSE. Personal and corporate integrity is an essential element of any organization. Accordingly, every student is expected to avoid even the appearance of cheating, and to claim credit only for his or her own work.

> Dual Career, Certificate, & Non-Thesis Masters Students
  – Review the EMSE Academic Honesty Seminar PDF included in your email.
  – Complete and submit the EMSE Academic Honesty Affidavit to emgt@mst.edu

> Thesis Masters & Doctoral Students (students conducting research)
  – Go to the CITI Training web page, set up a profile, and complete the training.
  – Please refer to the EMSE Graduate Handbook, Section VI.C. for instructions on this training.
  – Submit a copy of the training certificate page to emgt@mst.edu

Advising Holds will not be removed until you have provided proof of completion of the Ethics Training. (This will prevent you from being able to register for the next semester.)
Advising

> **Associate Chair of Graduate Studies** (for Engineering Management Students)
  > You will receive an advising appointment link by email to your mst.edu email account at least twice in three weeks prior to Advising Week.

> **Founder & Director of Systems Engineering Graduate Program**
  > You will receive an advising appointment link by email to your mst.edu email account at least twice in the three weeks prior to Advising Week.

> Google groups, the university listserv, prevents acceptance of most outside email addresses. (Contact Sarah or Jessica if you don’t receive it.)

> Advising Holds will **not** be lifted until you have met with Advisor and provided any paperwork that is due, including proof of completion of the Ethics Training and The Rules quiz.

> JOE’ss assigns each student a date and time when they can register online. **Register Early** so you get into the courses you want!!!
  > (JOE’ss Online Registration opens in April & November)

- ENG MGT 5320 - Project Management
- ENG MGT 5412 - Operations Management Science
- ENG MGT 6211 - Advanced Financial Management

**CERTIFICATES (optional)**
- Engineering Management
- Financial Engineering
- Human Systems Integration (HSI)
- Leadership in Engineering Organizations
- Lean Six Sigma
- Project Engineering and Construction Management
- Project Management
- Safety Engineering

- Students may choose a certificate area depending on their interests. However, courses can be chosen from more than one area. (certificate rules apply). Students must apply separately for the certificate program if they wish to earn that distinction.
- Students must submit a typed and signed Form 1 to Sarah Johnson (last name A-K) or Jessica Satterfield (last name L-Z) by advising week of their first semester. Forms can be submitted in person, scanned and emailed, or faxed. The form is available at: [http://grad.mst.edu/currentstudents/forms/](http://grad.mst.edu/currentstudents/forms/).
- If you take courses that vary from your Form 1, you must file a Form 1A prior to enrolling in the course.
- Students must meet all requirements for graduation as specified in the Graduate Catalog for Engineering Management.
  - **Thesis students:**
    - Cannot register for Graduate Research EMGT 6099 until the Form 1 is on file.
    - The Form 1 must include your committee members in the signature section.
