

The Captain Aaron Robert Pogue Endowed Scholarship

This scholarship was initiated and funded by Captain Pogue's fiancé and her family, to honor his many accomplishments while attending West Point, and his military career up until the time of his passing.

Captain Pogue was a highly motivated individual both scholastically and athletically. He was tenacious in his approach to life. He accepted any and all challenges put forth his way, and sought to reach and exceed his potential. Second best was not an option.

Eligibility Requirements:

- 1) A student pursuing a master's degree in Engineering Management at Missouri University of Science & Technology, and also a military student in the Engineer Captains Career Course at Fort Leonard Wood, Missouri.
- 2) Student shall have completed the ECCC portion of the program.
- 3) Be a graduate of the United States Military Academy at West Point.
- 4) Be in good academic standing as a condition of eligibility for the award.

One \$1,000 scholarship will be awarded to an eligible member of the fourth ECCC group each year.

Application Information:

Submit a cover letter, resume, and personal essay (to include career and personal goals and achievements).

Applications are due by December 31 and should be submitted to Missouri S&T's online scholarship website: mst.academicworks.com.
